# The Singer Company

*A Retailer of Religious Jewelry and Personalized Gifts  
Since 1940*

The Singer Company has been a retailer of religious and secular jewelry, since 1940. Besides jewelry, we offer an extensive line of religious gifts. The majority of our jewelry is domestically made, however we do import certain unique jewelry.

We are well aware of the competitive market for jewelry online, but we feel our offerings are very unique, and competitive. The one thing we will not do is sacrifice quality by lowering our standards of manufacturing. Our offerings include sterling silver, gold filled, and 14k gold plating over sterling. We are always striving to find new alloys and finishes to enhance our jewelry. All our pendants, charms, pins, necklaces, rosaries, and earrings are protected against tarnishing.

Furthermore, we provide you with the unique opportunity to collaborate with us in designing your own custom and personalized products. Whether you are looking to commemorate a special occasion or bring your own unique design into your product catalog, our team of skilled artisans and designers will work with you from start to finish to ensure every detail is perfect, from initial concept to the finished product.

Our jewelry and gifts are manufactured, stored, and shipped from our 30,000 square foot factory. Your dealing with a brick and mortar business ensures that all jewelry is thoroughly examined for defects and carefully packaged before shipping to our customers. We offer the ability to ship anywhere in the world including military installations.

As a company that stands behind its product, our guarantee ensures that your jewelry is received without any defects. If for any reason you receive an item that is defective, within one year of purchase, our return policy allows you to receive a full credit or a replacement at no charge.

Please review our return policy under our Return Policies page.

We back up our service with a full time customer service department that can be reached by calling our toll free number, 1-800-516-1392, during business hours. Our staff will go the extra mile to ensure your orders are delivered on time, and that you are completely satisfied with our product.

We look forward to working with you --
